WHAT IS THE EDTERRA ADVANTAGE

You are sure to get a highly veritable and demonstrable return from the time and effort you invest in your students' development into globally competent citizens through EdTerra.

EdTerra's promise of rendering Truly Educational Journeys is verifiable on account of the following parameters:

- ▶ Pre-defined structured learning objectives
- ▶ Age appropriate proprietary learning tools and materials
- ▶ Journey Mentors to guide the student group
- ▶ Tools to measure learning outcomes
- ▶ Evidence to showcase students' experiences, learning and fun

To know more, please request your EdTerra representative for an introduction to our proprietary Young Authors Program and other equally powerful Truly Educational pre, post and on-journey modules available for your students applicable to your chosen destination.

WHY DID WE CHOOSE **DUBAI?**

Dubai offers students a living example of what human beings are capable of achieving if they have the vision, resources and the commitment. From indoor skiing slopes to outdoor lush golf courses, from the tallest building to an underwater hotel, from an ultra cosmopolitan society to the charm and hospitality of Arabia, all of these blend together to form the unique fabric of learning in Dubai.

To Book Now: Call: +91-11-48885800 or visit www.edterra.com

WHY DID WE CHOOSE GERMANY, ITALY & SWITZERLAND?

Science Germany is truly a phoenix among nations. It has twice risen from the ashes to emerge as Europe's dominant power. From huge industrial plants to fairy tale castles, this soccer crazy nation with some of the best fast cars, is a showcase of how processes and systems can translate into lasting power and values.

Nature The scenic Switzerland brings to fore the beauty and majesty of Mother Nature in its absolute abundance. This nation is also an inspiration for all to witness how a tiny land-locked nation can become wealthy by creating category defining products.

Human History Italy is a defining chapter in the human history and the home of the Great Roman Empire and the Church. This country is simply a must for any student world over.

GERMANY ITALY SWITZERLAND
The Best of Europe

WHAT DOES THIS JOURNEY OFFER?

A meditation in perfection. This trinity offers a showcase of what the rare yearning for perfection can give to the world. Swiss chocolates, watch-making, banking, efficient metropolitan cities, small picture-postcard towns, automobiles, football, machines and tools, whatever they undertake, they all define quality that the world aspires to emulate.

GERMANY ITALY SWITZERLAND

Science, Nature & History

BE INSPIRED

- Germany's Obsession with Perfection
- Fruits of Environmental Conservation – Swiss Tourism
- Italian Art, Architecture and Design
- German Automobile Engineering at BMW World

WHY DID WE CHOOSE US EAST COAST SPACE ADVENTURE?

US East Coast is the birthplace of American history and the cradle of America's space program. USA today leads the world in space exploration and technology and Kennedy Space Center (nestled on the East Coast) is considered by many as the Mecca for space enthusiasts. East Coast also harbours Washington DC, the seat of power, New York, the financial capital and Orlando, the amusement capital of US. So if you aspire to experience the best of space technology, history and amusement, US East Coast is your learning ground.

US EAST COAST

Space Adventure

10 DAYS/8 NIGHTS*

WHAT DOES THIS JOURNEY OFFER?

Enter the very backyard of NASA at Cape Canaveral to touch, feel and experience the very objects, ideas and people that made US space exploration possible. In New York, experience the creative energy and ambition that fuels America's entrepreneurial spirit. Visit Washington DC, the political capital to understand the internal and external struggles that cumulatively shape USA.

CORE LESSONS/INSPIRATION:

History of Space Research

Space Technology Impact

Ambition & Entrepreneurship

US History

The Business of Entertainment

*Actual locations/days may change as per itinerary selected

THINGS TO DO

VISIT

- New York
- Orlando
- Washington, DC
- Niagara (optional)

LEARN

- The History of Space Exploration
- Men who made America
- The Business of Entertainment

ENJOY

- Shuttle Launch Experience
- Universal Studios
- Disneyland
- Times Square
- Cocoa Beach

BE INSPIRED

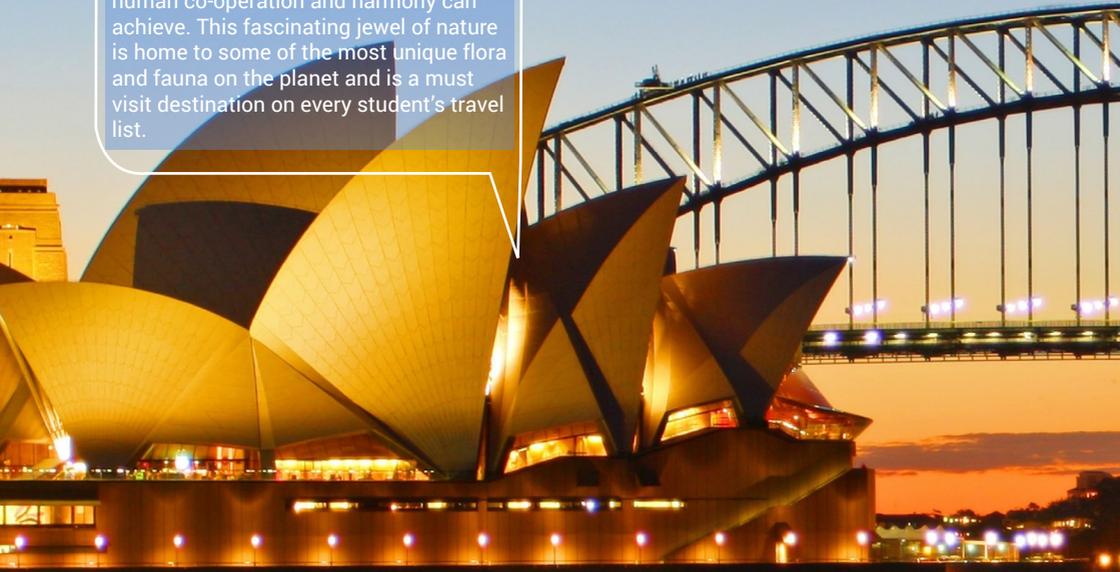

- Kennedy Space Center
- The Statue of Liberty
- The 9/11 Memorial
- Smithsonian Museum
- Lincoln Memorial

WHY DID WE CHOOSE **AUSTRALIA?**

Populated by the white man as a Penal Colony, Australia today ranks higher than US on the Human Development Index. Its progress defies the fact that even today, one out of every four Australians was born on foreign soil. Its history may be checkered with respect to the indigenous aboriginal population, but today it stands as an inspiration to what the spirit of human co-operation and harmony can achieve. This fascinating jewel of nature is home to some of the most unique flora and fauna on the planet and is a must visit destination on every student's travel list.

AUSTRALIA

Wonder Down Under

9 DAYS/7 NIGHTS*

WHAT DOES THIS JOURNEY OFFER?

Sydney tells the story of how a small penal colony could build itself into the 12th most expensive city in the world. Cairns offers a gateway to two of the greatest natural attractions: the Great Barrier Reef and the Kuranda Rainforest. Finally, in Gold Coast students discover one of the most desirable places in the world to live.

CORE LESSONS/INSPIRATION:

Respect for Environment

Human Dignity

Protecting Natives

Quality of Life

Fruits of Harmony

*Actual locations/days may change as per itinerary selected

THINGS TO DO

VISIT

- Sydney
- Gold Coast
- Cairns
- Kuranda

LEARN

- History of Australia
- History of Indigenous Australians
- Marine Ecosystem
- Marsupials

ENJOY

- Harbour cruise
- Sea World
- Movie World
- Village in the Rainforest
- Green Island Cruise

BE INSPIRED

- Struggle of Aborigines for their Rights
- Great Barrier Reef
- Harmony between Mankind and Nature

WHY DID WE CHOOSE **SPAIN & FRANCE?**

Spain and France offer a contrast in culture and similarity in spirit of creativity that is unparalleled. These neighbouring nations, like their contrasting tongues – Spanish and French, have very unique ways. While France has been the birthplace of many art movements, Spain has its own forte in art and architectural innovations.

SPAIN & FRANCE

Art, Architecture & Fashion

7 DAYS/6 NIGHTS*

WHAT DOES THIS JOURNEY OFFER?

The rich neighbours who are truly different. The cultured French take great pride in their art, architecture, language, cuisine and design. The Spanish believe in enjoying life and live for siesta (nap) and fiesta (feast). While their approach to life may contrast, both French and Spanish have ruled large portions of the world, and their beautiful backyards are rich history lessons mandatory for all students.

CORE LESSONS/INSPIRATION:

Art through the Ages

French and Spanish History

French and Spanish Culture

Innovative Architecture

* Actual locations/days may change as per itinerary selected

THINGS TO DO

VISIT

- Paris
- Madrid
- Toledo
- Barcelona
- Zaragoza

LEARN

- French Revolution
- Spanish Conquest
- Spain's Arab Connection

ENJOY

- The Art at the Louvre Museum
- Eiffel Tower
- Flamenco Dancers Performance
- Cruise on River Seine

BE INSPIRED

- The Architecture by Antoni Gaudi
- Leonardo da Vinci's Mona Lisa
- Toledo's Multi-ethnic Past

WHY DID WE CHOOSE US WEST COAST?

Some say, the best of US rests on its West Coast. Los Angeles, the entertainment capital of the world and San Francisco, the cradle of information technology, both stand testament to the fact. The land that once marked the gold rush has still not lost its sheen as the land of big dreams and mega deals. There is no more fertile ground on earth that grows mega corporations in such short years, viz., Apple, Google, Amazon and Intel among others. This truly scenic, beautiful land is a true inspiration for students of any age.

US WEST COAST

The Heart of American Dream

10 DAYS/8 NIGHTS*

WHAT DOES THIS JOURNEY OFFER?

The West Coast of USA is your golden gate to experience the best of entertainment, education and information technology. Entertainment doesn't get bigger than Disney and Universal Studios. Education at its best is symbolized by UCLA and Stanford Universities. Google, Intel and a hoard of other cutting-edge companies are based in Silicon Valley. Now imagine one single journey that gives you access to them all, and much, much more.

CORE LESSONS/INSPIRATION:

Business of Entertainment

Architectural Marvels

Creating Larger than Life Worlds

The Gold Rush

* Actual locations/days may change as per itinerary selected

THINGS TO DO

- Introduction to Film Studios
- History of Silicon Valley
- Life of Walt Disney

ENJOY

- Lombard Street
- 17 Mile Drive
- Hearst Castle

BE INSPIRED

- Intel Museum
- Golden Gate Bridge
- Walt Disney
- Hollywood

WHY DID WE CHOOSE **US EAST COAST UNIVERSITY EXPOSURE?**

New York, the city that never sleeps and Boston, the educational hub, are both located on the East Coast. The history of USA and the first thirteen colonies were also established here. Thus, it is not surprising that some of the finest and oldest educational institutions which have helped shape modern US are all located here. All these facts come together to make the US East Coast a much sought after educational destination around the world.

East Coast University Exposure
PROGRAM

US EAST COAST

University Exposure

- Jurong Bird Park
- Universal Studios

BE INSPIRED

- The Second Smallest Nation in Asia
- The High Standards of Living
- The Immaculate Cleanliness
- The Great 'Toilet to Tap' Project

WHY DID WE CHOOSE UNITED KINGDOM?

This island nation once was the predominant ruling colonial power. Today, it has emerged as one of the superpowers. Lesser explored is Scotland; famous for its historic castles, scenic Highlands and beautiful lochs, it is a cradle of pristine natural beauty and raw human courage. This rewarding journey brings to life many of the ideas, events and locations that students have only known so far in text books, fiction novels and through filmed entertainment.

LONDON & SCOTLAND
THE BEST OF UNITED KINGDOM

LONDON & SCOTLAND

The Commonwealth Heritage

7 DAYS/6 NIGHTS*

WHAT DOES THIS JOURNEY OFFER?

Holistically, the journey offers an insight into the world's financial capital with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transport.

- Blind School

WHY DID WE CHOOSE MAURITIUS?

Mark Twain said, "You gather the idea that Mauritius was made first, and then heaven, and that heaven was copied after Mauritius." Mauritius is an island created by underwater volcanic eruptions. It is the most densely populated country in Africa with a life expectancy of 73 years which is the highest among developing nations. Combined with its flora, fauna and geographical position, its existence and success is truly a wonder.

MAURITIUS

Heaven Under Human Care

6 DAYS/5 NIGHTS*

WHAT DOES THIS JOURNEY OFFER?

Mauritius offers a peek into a rare fusion of cultural diversity and tolerance. Mauritius is today home to people from Madagascar, India, Netherlands, France, England, Indonesia and the Far East. It offers an unparalleled lesson in natural History. The prime example of this being the extinct flightless bird - dodo, which lived only in Mauritius.

CORE LESSONS/INSPIRATION:

Town Planning & Space Optimization

Economic Support of Tourism

Benefits of Environmental Conservation

* Actual locations/days may change as per itinerary selected

- Importance of Cash Crops

ENJOY

- Tour to Ile Aux Cerfs
- Water sports
- Thrilling La Vanille Crocodile Park

BE INSPIRED

- High Life Expectancy
- A Nation Without a Standing Army

WHY DID WE CHOOSE **CANADA?**

With its world-class infrastructure, the beauty of its well-preserved nature, and the natural blending of its past with its present, Canada undoubtedly emerges as a dream educational destination for students from the world over. More importantly, Canada is a multi-cultural and multi-lingual country where people from every corner of the Earth live together in peace, not only 'tolerating' each other's differences, but celebrating them.

CANADA

A Vision of the Future

10 DAYS/8 NIGHTS*

WHAT DOES THIS JOURNEY OFFER?

This journey is designed to impart students invaluable lifelong lessons and push them to work towards a future that celebrates diversity and achievement. Attractions such as Canada's Biosphere offer a comprehensive study of ecosystems of the Great Lakes and Saint Lawrence River. On the other hand a walk through McGill University exposes students to the Canadian higher education system which they may plan to join.

CORE LESSONS/INSPIRATION:

Inspiration - Elements of a World City

Environmental Conservation

Creating Larger than Life Worlds

Photojournalism

* Actual locations/days may change as per itinerary selected

ENJOY

- Laser Tag
- Montreal City Hall
- Baseball at Rogers Centre
- Canada's Wonderland

BE INSPIRED

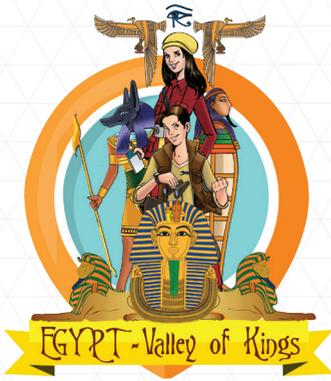

- Anatomy of a World City
- Niagara – Nature and Nurture
- McGill University - Higher Education

WHY DID WE CHOOSE EGYPT?

Watered by the Nile, considered a cradle of civilization, Egypt, one of the world's first nation-states dating back to 3,100 B.C., experienced the earliest developments of writing, agriculture, urbanisation, organised religion and central government in world history. Egypt is also home to the most mysterious wonder of the world - the Pyramids of Giza and equally breathtaking architectural feats such as the Great Sphinx and the tombs in the Valley of Kings.

EGYPT

Valley of Kings

8 DAYS/7 NIGHTS*

WHAT DOES THIS JOURNEY OFFER?

From Cairo to Karnak, this colossal adventure is unmatched by any other journey on the planet. Guided by an EdTerra Journey Mentor, this program is twice as exciting as students take part in intensive hands-on activities and assignments that allow them to unravel the secrets of Ancient Egypt.

CORE LESSONS/ INSPIRATION:

Human History – Egyptian Civilization

Architectural Marvels

Preservation of Culture and Heritage

* Actual locations/days may change as per itinerary selected

- Egyptian Architectural Feats
- Conservation of Heritage

WHY DID WE CHOOSE **MALAYSIA?**

Malaysia, South East Asia's leading commercial and tourist hub, is the 9th most visited country in the world. 'Magical Malaysia' is the ideal destination to understand firsthand how Asia's cultural diversity can work in harmony to achieve great economic success for its people. This great land of deep blue sea and emerald green mountains is a heaven for those who seek to interact and enjoy nature at its pristine best.

MALAYSIA

Asian Culture & Modernity

5 DAYS/4 NIGHTS*

WHAT DOES THIS JOURNEY OFFER?

A breathtaking land of many cultures and beliefs, Malaysia is truly Asia. Behind modern skyscrapers and luxury sea-side resorts, Malaysia is a melting pot of cultures and a prime example of progress defined through harmonious co-existence and collaboration between diverse traditional communities. From Kuala Lumpur to Genting Highlands, this journey exposes students to a contrasting flavour of co-existence between all forms of diversity.

EdTerra's Journey Mentor Advantage

On-Journey Education Enabler

Child Psychology Trained

First-Aid Trained

Experience with School Groups

EdTerra's Journey Mentor is first and foremost an Educator specifically recruited and trained to lead an EdTerra Journey.

These motivated and skilled individuals have their role, rules and procedures clearly set. Their responsibilities go far beyond those of any travel industry benchmarked generalist whose only job is to guide the tour.

Thank You

FROM SCHOOLS,
WITH LOVE

"EdTerra Adventures is a company that is well aware of educational goals and needs of children. We recognize the contribution of their staff and their professionalism coupled with their spirit of service."

Dr. Jyoti Bose
Principal, Springdales School (Dhaura Kuan)

"EdTerra definitely deserves our hearty compliments for their wonderful and exemplary way of conducting overseas trips."

Mr. D.K. Tyagi
Principal, DPS Karnal

"Very meticulously planned. Excellent activities. Very courteous, emphatic and always ready to walk the extra mile."

Ms. Roopa Raghavan
Teacher, Sanskriti School

"I was thoroughly impressed by the professional approach of EdTerra, and was assured of my daughter's safety while she travelled with them to USA. A big thank you to the school and EdTerra Adventures for organizing such a successful educational journey."

Mr. B.S. Chowdhary
Parent, Bal Bharti School

"We sincerely hope EdTerra Edventures will continue in its pursuit to bring more diverse and invigorating excursions to enrich the minds of students."

Dr. (Mrs.) N.M. Williams
Principal, Mt. Carmel (Dwarka)

"EdTerra Edventures conducted a pre-journey interactive workshop called Launch Pad that enabled our students to better appreciate and participate in the exploratory activities that they undertook at the NASA space camp."

Brother L.D. Lobo
Principal, St. Columba's School

"EdTerra is progressively creating a new breed of students travelers; sensible, curious and confident in mingling with cultures different from their own. Our students have thoroughly cherished their journeys, be it within the country or abroad."

Mr. J.S. Pasricha
Hon. Secretary, MGN Public School (Jalandhar)

"Also appreciable is their Young Authors Program which enables the students to hone their writing skills and click photographs for their own publications in the form of a photo-book or a magazine. The EdTerra team is full of zeal and enthusiasm and is a big support to the students in their journey of knowledge."

Mrs. Anjali Aggarwal
Principal, St. Mark's Sr. Sec. School, Meera Bagh

"Congratulations EdTerra Edventures for providing truly global exposure to the young learners, combining education in its real sense with adventure, which ignites young minds to explore and unravel the wonder the world, has to offer!"

Ms Mita Rai
Delhi Public School, Indirapuram

"I felt it was a life changing transformation journey for our young students who ventured out into the world independently and came back as globally aware and more confident individuals."

Ms. Anuradha Kumar
Headmistress, Venketeshwar International School

"EdTerra is a fabulous travel company for schools, which has revolutionized the age-old concept of excursions for students with modern philosophy. Their trips are scientifically planned. They stand for education through experiential travel. The students capture their memories of the journeys by creating short audiovisuals and magazines through creative print and electronic mediums at the end of excursions. Their school trips lead to lifelong learning."

Dr. Shayama Chona (Padma Shri & Padma Bhushan)
Educationist
